Chapter 1 by BaekkieLyn

Minah's POV

We sat in the school garden for recess.

"Okay Minah! Truth or Dare?" SoHee asked.

"Um... Dare!" I answered.

"Yesss! I've been waiting for the moment!" she cheered.

"Ok, so what's the dare?" I questioned.

"You have to make the nerd, Byun Baekhyun, fall in love with you in within 6 months!" SoHee exclaimed.

"Bo! Why him out of all the guys!?! " I shouted.

"Just do it will you, or you'll have to pay me 1 million won!" SoHee replied.

"Urrrggg, fine!" I agreed.

"Tsk, nerd's usual hobby!" I thought.

I went to him and acted nice.

"Hi Baekhyun~" I greeted as I smiled sweetly.

He looked around and back to me, "Y..You're talking to me?"

I nodded, "Yea, who else?"

"Oh! Um... Hi! Do you need anything?" he asked.

"No! Nothing~ Just wondering if you wanna be friends?" I muttered.

"B..be friends with me? Wae?" he pointed at himself.

"I'm trying to be nice here! Can't you just accept it?" I muttered, impatiently.

"Um... sure?" he answered.

"Jinjja! Komawo~" I thanked him.

He slightly smiled and went back to reading his book.

"Ya! Are you really going to ignore your friend?" I pouted.

He stared at me, "Did you fight with your bestfriend? Because from what I remember, no one wants to be friends with me."

"A..ani! I didn't fight with her!!! I just wanted to um... know more about you." I murmured.

He sighed and closed his book, "Sure, where do you want to go?"

"How about the cafe nearby after school?" I opined.

"Ok, that's fine with me." he agreed.

I went out of the library with a vic [See more of Story Wars](#)

I went to the locker room with Sol-hee and we changed into our PE clothes.

"So how did it went?" SoHee asked.

I immediately knew what she was talking about, "Great! Plan A, accomplished!"

"Seriously? He agreed to be your friend that easily?" SoHee questioned, wide eyes.

"Yup! and I will proceed to Plan B." I smirked.

"What's Plan B?" SoHee asked.

"Know more about his personal life." I simply said and we went out of the room.

As we arrived in the gymnasium, we saw a lot of guys warming up for the Basketball match later.

"Woah... they're so hot!" SoHee cheered.

"Yup! and you wanna know something?" I told her. She turned around and looked at me with a questioning face, so I continued, "They all confessed to me but got rejected."

"Why! They are so freakin' hot~" SoHee hold onto my arm.

"Because they are not Mr. Perfect!" I pulled my arm off her.

"Tsk! No one will be able to reach your Mr.Perfect list." she said, while making bunny ears with her fingers when she mentioned the two words.

"Believe me, there will be~ I just have to be patient and wait." I rolled my eyes as I walked to the other girls, since we're having a volleyball match.

As I scanned through the gym and saw Baekhyun sitting on the side bench, watching the other guys.

'I remember Mr.Jung telling everyone that no one can be left out in P.E. no matter what!' I

thought

I then decided to ignore it and focus on the basketball

We finished the match and everyone went to the locker room to change. I quickly changed my clothes and finished before the others. Just as I went out of the room, I saw Baekhyun still sitting on the bench.

I decided to approach him.

"Baek, why didn't you join P.E.?" I asked.

"Oh! M...minah, I was um... not feeling well." he stuttered.

It was quite obviously that he was lying but I decided to let it go since we just started being friends and I don't want to lose the bet.

"Ah...ok! Get well soon ^^" I smiled.

"Thanks." he muttered.

"Anyway, it's lunch time so do you wanna join me?" I questioned.

"No thanks... I'll just sit alone." he replied.

"Ok then, I'll see you after school?" I told him.

He nodded and we went to our usual tables.

Baekhyun's POV

The reason I told Minah that I wanted to seat alone is because if I sit with her, the other guys - her fanboys - will start bullying me. And also, the reason why I didn't join P.E. was because... nevermind, I'll tell you guys when it is time for you to know.

Anyways, I went to the usual empty table on the end of the room and started eating my sandwich. It's not that I'm poor or something - actually, I am richer than most of the students in

this school - but I never liked showing off like what the other guys would do to get girls, so I told my maids to only make sandwich.

Suddenly, I heard footsteps. "Who's that poor and ugly Bacon!"

I didn't look up... because he's not worth it, not even a glance.

"Are you ignoring me dirty!?! " he shouted as he pull me out of my seat, gaining the students' attention.

I kept my mouth shut and glared at him.

He smirked, "Glaring at me? Pretty brave for a nerd!"

The thing is... he never actually hurt me besides saying some hurtful stuff but this time - he did - for the first time in my whole school life in this school - he punched me. Not on my face, but on my stomach.

I fell on the floor, clutching onto my stomach. Blood, is all I can taste in my mouth.

He was about to kick me when a shout stopped him.

"Bang Yongguk! Stop right there!" someone shouted from the back.

My bully is the one and only Bang Yongguk. He turned around and saw his sister standing with her hands on her hip.

"N..noona!" he stuttered.

"Didn't I tell you that you cannot hurt anyone or else I will tell dad to send you away!" Minah shouted.

Yes, Minah is Yongguk's twin... she's 5 minutes older than him.

Yongguk went straight to her sister, begging for a second chance.

"Why did you hit him?" Minah asked.

"Because he ignored me as if I was a trash!" Yongguk complained.

"Well firstly, you are a trash! and secondly, you are a coward!" Minah angered.

Everyone looked at her with

"Friend!?! "Yongguk exclaimed.

"Nae! Wae? Is there a problem with being friends with Baekhyun?" Minah questioned.

"Noona! How can you be friends with this weakling?" Yongguk argued, those words replays in my mind.

That's true... I am a weakling. I can't do things others can.

I bit my bottom lips, holding the tears from coming out and quickly stood up to get away from the crowd.

As I arrived in the rooftop, I sat on the floor hugging my knees while quietly sobbing.

It wasn't just physical pain, but also emotional.

When my tears has stopped, I slightly lift my shirt up to see whether my stomach was fine, I could see a bruise there but besides that everything was fine...

Just then, the rooftop door opened revealing Minah.

"Baekhyun-ah, kwenchana?" she asked as she walked towards me.

I quickly wiped my tears and stood up.

"Nae.. I'm fine! I got to-" she stopped me, "no, you're not going anywhere. I told the teacher that you were sick so the teacher said that we can take the rest of the day off for today."

"Us?" I questioned.

"Yea... I kinda told her that I wasn't feeling that well so she let me off." she smiled.

I nodded.

"Anyway, you said that we could talk more about each other after school right? Why don't we go now?" she asked.

"Sure." I replied.

We went down and walked through the empty hallway since the other students are in class.

In the cafe...

We arrived there and sat on one of the tables.

"Annyeonghaseyo Halmonee~" Minah greeted.

"Oh! My Minah is here! And who is this cute guy? Your boyfriend?" the old lady clasps her hands together as I bowed to her.

"Aniyo! He's just a friend!" Minah pouted.

"Ah.. ye, I understand that he is a soon-to-be boyfriend." she teased, making both of us wide-eyed.

"Halmoneeeee~" Minah whined.

I silently chuckled as I went back to our table.

"So Baekhyun-ah, what do you want?" Minah asked.

"I'll just have an English Breakfast Tea." I answered.

"Ah.. ok! Halmonee, can we have an English Breakfast Tea and my usual bubble tea~" Minah ordered.

"Arrasso, just wait there!" Halmonim replied as she went inside the kitchen.

"Let's start questioning~" Minah looked at me.

"Ok..." I muttered.

"I'll start! When is your birthday?" she started

"May 6th, 1992." I simply answered. [See more of Story Wars](#)

"Nae," I replied.

"Your turn!" Minah continued.

"How many brothers and sisters do you have?" I asked.

"I only have a twin, and that is my stupid brother - Bang Yongguk." she retorted.

We spent 2 hours there asking each other questions. Without realizing it myself, I slowly opened up with her.

Will I be able to trust her?

I hope you guys enjoyed it!
